(9) The Board will not withhold information that is known through custom or usage in the relevant trade, business, or profession, or information that is generally known to any reasonably educated person. Self-evident statements or reviews of the general state of the art will not ordinarily be withheld.

(10) The Board will withhold all cost data submitted, except the total estimated costs from each year of a contract. It will release these total estimated costs and ordinarily release explanatory material and headings associated with the cost data, withholding only the figures themselves. If a contractor believes that some of the explanatory material should be withheld, that material must be identified and a justification be presented as to why it should not be released.

(11) *Exemption 6.* This exemption is not a blanket exemption for all personal information submitted by a non-U.S. Government source. The Board will balance the need to keep a person's private affairs from unnecessary public scrutiny with the public's right to information on Board records. As a general practice, the Board will release information about any person named in a contract itself or about any person who signed a contract as well as information given in a proposal about any officer of a corporation submitting that proposal. Depending upon the circumstances, the Board may release most information in resumes concerning employees, including education and experience. Efforts will be made to identify information that should be deleted and offerors are urged to point out such material for guidance. Any information in the proposal, such as the names of staff persons, which might, if released, constitute an unwarranted invasion of personal privacy if released should be identified and a justification for non-release provided in order to receive proper consideration.

§ 1631.16 Exemptions.

The Freedom of Information Act exempts from all of its publication and disclosure requirements nine categories of records which are described

in 5 U.S.C. 552(b). These categories include such matters as national defense and foreign policy information, investigatory files, internal procedures and communications, materials exempted from disclosure by other statutes, information given in confidence and matters involving personal privacy.

§ 1631.17 Deletion of exempted information.

Where requested records contain matters which are exempted under 5 U.S.C. 552(b) but which matters are reasonably segregable from the remainder of the records, they shall be disclosed by the Board with deletions. To each such record, the Board shall attach a written justification for making deletions. A single such justification shall suffice for deletions made in a group of similar or related records.

§ 1631.18 Annual report.

The Executive Director will submit annually, on or before February 1, a Freedom of Information report covering the preceding fiscal year to the Attorney General of the United States. The report will include matters required by 5 U.S.C. 552(e).
